

PRODUCT SPOTLIGHT SHEET

Bodyline BCMLA Clear Coat Satin

Clear Coat Matt is a high performance 1K lacquer which gives a crystal clear matt finish that can be applied over all water and solvent based basecoats and is ideal for smart repairs.

- Satin finish with excellent gloss retention
- Superior build
- UV and petrol resistant
- Fast drying
- Supplied with 2 nozzles

Suitable substrates: Solvent and water based basecoat paints

Bodyline aerosols are the ultimate method for the refinishing of small vehicle repairs.

They provide economical use of production time and manpower.

The surface must be clean, dry and dust-free

Shake aerosol for at least two minutes, after agitator ball is free.

Apply in cross coats from distance of 250mm from object

Drying time 30-60 minutes

Infrared compatible

Can be mechanically polished after 24 hours.

After use turn aerosol upside down and empty valve
