

# PRODUCT SPOTLIGHT SHEET

## Bodyline BPSPRO Premium Spray Red Oxide

Premium Spray Red Oxide is a high quality, high coverage, fast drying primer. Suitable for most surfaces.

- Optimizes the gloss finish of the topcoat
- Fast drying with good spraying properties and good coverage
- Excellent adhesion of subsequent topcoat
- Excellent filling properties and easy to sand
- Will adhere to wood, metal, aluminium and many other substrates.

Bodyline aerosols are the ultimate method for the refinishing of small vehicle repairs. They provide economical use of production time and manpower.

The surface must be clean, dry and dust-free.

Shake aerosol for at least two minutes, after agitator ball is free.

Apply in cross coats from distance of 250mm from object

Drying time 10-25 minutes

After use turn aerosol upside down and empty valve.
